

**POLICE AND CRIME COMMISSIONER FOR NORTHUMBRIA**

**Key Decisions**

**Title and Reference**

Approval of the Information Management Strand of the Street to Strategic Programme

**Report of Temporary Head of ICT**

**Summary**

To seek approval for the procurement of a set of Microsoft software licenses, server equipment and implementation services to deliver the Information Management strand of the Street to Strategic Programme.

**Recommendations / Findings**

It is recommended that the Commissioner approves the commencement of the procurement of Microsoft software licenses, server equipment and installation services in order to deliver the Information Management strand of the Street to Strategic programme using the following procurement mechanisms:-

- Software licenses are procured from Microsoft using the agreed national framework mechanisms available to all Police Forces.
- Server equipment is procured from the Sprint II framework, which is mandated for police forces for commercial off the shelf hardware and software components.
- That Microsoft "Gold Partners" are selected from the Sprint II framework to work with ICT to design the required infrastructure and assist in the implementation of a set of performant services to deliver the functional requirement identified in the Management Information strand of the Street to Strategic Business Case.

**Northumbria Police and Crime Commissioner**

I hereby approve the recommendation above.
