Police and Crime Commissioner for Northumbria - audit for year ended 31 March 2018

This representation letter is provided in connection with your audit of the statement of accounts for Police and Crime Commissioner for Northumbria ('the Commissioner) and Group for the year ended 31 March 2018 for the purpose of expressing an opinion as to whether the statement of accounts give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2017/18 (the Code).

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy ourselves that I can properly make each of the following representations to you.

My responsibility for the statement of accounts and accounting information

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the statement of accounts in accordance with the Code.

My responsibility to provide and disclose relevant information

I have provided you with:

- Access to all information of which we are aware that is relevant to the preparation of the statement of accounts such as records, documentation and other material;
- Additional information that you have requested from us for the purpose of the audit; and
- Unrestricted access to individuals within the Commissioner's office you determined it was necessary to contact in order to obtain audit evidence.

I confirm as Treasurer that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information. As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

Accounting records

I confirm that all transactions that have a material effect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all relevant meetings, have been made available to you.

Related party transactions

I confirm that all related party relationships, transactions and balances, have been appropriately accounted for and disclosed in accordance with the requirements of the Code.

I have disclosed to you the identity of the Commissioner and Group's related parties and all related party relationships and transactions of which I am aware.

Impairment review

To the best of my knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the property, plant and equipment below their carrying value at the balance sheet date. An impairment review is therefore not considered necessary.

Future commitments

I am not aware of any plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Subsequent events

I confirm all events subsequent to the date of the financial statements and for which the Code require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

Going concern

To the best of my knowledge there is nothing to indicate that the Commissioner and Group will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Yours sincerely

Mike Tait
Treasurer
